

COVID-19 TESTING IN OREBIĆ

COVID-19 TESTING WITH PCR OR RAPID ANTIGEN TEST

Hereby we inform you that the Korčula Health Centre is performing PCR and rapid antigen testing on SARS-COV-2 with medical referral for medical indication or for non-medical indication (with payment). If requested, the results can be issued in English. The medical referral for testing patients with medical indication must be issued by their family physician.

PCR and rapid antigen testing will be carried out as „drive-in“ in front of the Hotel Orsan reception (Šetalište kralja Petra Krešimira IV 29) in Orebić on **Monday, Wednesday and Friday from 12:00**. We will inform you of change to the schedule.

The patients for PCR and rapid antigen testing in Orebić must book appointment in COVID-19 clinic in Korčula by mobile **00385 99 529 8734**, e-mail: **amb.za.covid@dom-zdravlja-korcula.hr**

The patients must book their testing no later than a day in advance (for example testing in Wednesday must be booked on Tuesday). The same is applicable also for the rapid antigen testing.

As well, for children up to age of 10 the rapid antigen testing is not recommended as swab taking is difficult.
